December Events

Whistler's Winter season has so much to offer! From Film Events to all kinds of Winter activities like Snowshoeing, Dog and Bob sledding, Skiing and Snowmobiling, there is something fun for everyone! Here are a few ideas on what to enjoy on your next visit!

The Whistler Film Festival

The Whistler Film Festival is back, this year in person and online! From December 1 – 5, 2021 you may enjoy up to 40 feature films and six short film programmes in person! Selected films will exclusively premiere in-theatre followed by filmmaker après events, opportunities to have conversations with top talents at the Film Festival's Signature Series as well as networking occasions. The online event is held December 1 – 31, 2021. Up to 100 movies can be streamed across Canada and around the world with access to filmmaker Q&As and virtual attendance to the Awards Celebration. Get more information and buy tickets [here](#).

Trees of Hope

The annual Trees of Hope art auction will be starting December 15 until January 31. Presented by the Fairmont Chateau in Whistler and Mountain Galleries, this unique auction will feature art by fifteen invited artists who painted their version of a tree of hope. The artwork will be displayed in the Fairmont Chateau throughout the holiday season. All proceeds will go towards the Canuck Place Children's Hospice.

Cross-Country Skiing and Snowshoeing

Just in time for the winter season, the Nordic venue at The Whistler Olympic Park (30 minutes south of Whistler) and Lost Lake Park are back. Cross-Country Skiing and Snowshoeing are for all ages and abilities. Rentals, lessons and ski camps are available at the Olympic Park. The Park is dog friendly, so don't forget to bring your best furry friend. The Lost Lake Park is close to the upper village in Whistler and offers Cross-Country skiing trails with incredible views of Whistler and Blackcomb Mountain. Night skiing, rentals and lessons are also available.

Vallea Lumina

As of November 26, 2021 The Vallea Lumina show has started its winter season as well. Enjoy a snowy night walk through the multimedia enchanted forest on Cougar Mountain (just a few minutes' drive north of Whistler). It is truly a magical experience for all ages, groups and families! Tickets can be purchased at www.vallealumina.com.

Also just in time for the holiday season, Whistler's annual seasonal lights and holiday décor is beautifully placed throughout town for you to enjoy! The ice skating and Snow Zone at Whistler Olympic Plaza is open now until March 2022 (weather dependent). Admission fees are \$2 with your own skates or \$8 including rental skates. More information about the ice skating rink may be found [here](#).

Please find a list of all Whistler events on the [Tourism Whistler Homepage](#)!

Driving on Highway 99

With all the recent flooding, it is always a good idea to check out www.drivebc.ca before you head out on the highway to Whistler. Conditions on the Highway can change very quickly!
