WHAT'S NEW IN WHISTLER

Great snow and cold temperatures

After the snowstorm the slopes on Whistler Blackcomb are in great condition! No reservation for skiing needed. Lifts are loaded at normal capacity. Whistler is open and visitors are welcome. If you would like to dine on the mountain or anywhere in Whistler, you have to check if reservations are required and have your BC Vaccine Card or proof of vaccination if you are not from BC. Restaurants and shops are open. A great resource on how to travel safely and what is needed in Whistler is the Tourism Whistler Homepage. Make sure you bring warm clothing as temperatures are quite low.

Happy New Year!
Stay safe and healthy!

Update on Travel and Covid Restrictions
